## Privacy Policy

At Trending Training and Trading, we value your privacy. This notice elucidates our online information practices and empowers you to make informed choices regarding the collection and utilization of your data.

We collect information provided by you through our website or other channels, including social media platforms. This information aids us in delivering optimal services to you.

We prioritize the privacy and security of your data. We undertake measures to protect the confidentiality and integrity of any information you entrust to us. Rest assured, personally identifiable information shared with us will only be used for the purposes to which you consent.

Despite our vigilant efforts, we cannot guarantee the absolute security of transmitted information. Hence, any sharing of personal information through our online services is done at your own risk.

Please note that you may receive communications related to service promotions, contests, and polls organized by us. Your information will be retained by us and may be shared with regulatory authorities or affiliated organizations, as necessary.

In addition to the services we provide, we may use your information (such as mobile number and email) to send newsletters, surveys, contest details, or updates about new company services, solely for your benefit. By subscribing to our services, you consent to receive such communications.

By filling out our 'Inquiry form' on our website or through social media channels, you consent to receive calls, SMS, or WhatsApp messages on the provided contact details. This includes mobile numbers registered on the National 'Do Not Disturb' registry.

Your privacy is paramount to us, and we are committed to upholding the highest standards of data protection.
